NEW YORK POST HIGHLIGHTS HOLBEN'S *HUNGER*

Los Angeles, CA (October 31, 2002) – Scheduled to air on American Movie Classics tonight, Halloween, at the stroke of midnight, the John Carpenter hosted special Short Screamers features 15 one-minute short horror films. Jay Holben's *Hunger* is among the selected 15 shorts from among several hundred submissions that AMC received to run during their MonsterFest marathon.

Today, New York Post television critic Linda Stasi reviewed the half-hour Short Screamer special and highlighted Holben's *Hunger* :

“My personal favorite is called "Hunger" by Jay Holben. To tell a story in less than a minute is tough enough, but making it scary to boot is a real accomplishment. And Holben manages to do both.”

Short Screamers airs tonight, October 31, 2002 at 12:00am PST.
